Contractors University is a new concept in the delivery of practical advice on construction business practices. Rather than standard legal presentations, the University is a collaborative workshop where construction lawyers work with you in suggesting and developing prudent business procedures and solutions ready for immediate

implementation in your office to reduce legal exposure and strengthen your claims. In addition to providing interactive education, the University will provide you with usable forms, checklists and other tools for use in your day-to-day business to help manage the legal aspects of construction.

The University is coming on September 22, 2015 at the offices of Becker & Poliakoff, P.A. located at One East Broward Boulevard, Suite 1800, Ft Lauderdale, FL 33301, 954-985-4147, lweintraub@bplegal.com. The event runs from 9:00 am to 1:00 pm, lunch provided. The syllabus and presenters are:

- **Best Practices for Preparing Claims, Effective Dispute Resolution & Maintaining Accounting Records to Track and Prove Monetary Damages;** Presenters: [Mindy Gentile, Esq.](#), [Deborah Mastin, Esq.](#), [Bob Fitzsimmons, Esq.](#), [Lee Weintraub, Esq.](#)
- **Practical Tips to Understanding Construction Insurance and the Gaps in Coverage - Don't be Caught Bare;** Presenters: [Bruce](#)

[Alexander, Esq.](#) and [Rob Friedman, Esq.](#)

Admission to the event is free and lunch is included. Space is limited. To reserve your spot, email lweintraub@bplegal.com.

Application for four hours of CILB continuing education is pending.
